Thank you for supporting Wachusett Valley Riders Club and the Sideways Promotions/Falcon Extreme Northeast Pit Bike Series.

**Please respect the following rules and we hope you have a good, safe time.**

- No alcohol or drinking allowed by anyone.
- ALL vehicles must be 99db or lower. Anyone deemed to have a bike that is over will not be able to ride and have their entry fee returned. All decisions are final. For a simple cheap way to quiet your bike a few DB's go to [www.thedbsnorkel.com](http://www.thedbsnorkel.com) It attaches in 2 minutes and does not effect the performance on even CR 500's. Tell em Sideways sent ya.
- Please no pit riding or excessive running of motors – We have neighbors.
- Any one caught dumping fluids on the ground will be banned for life.
- ANY unsportsman like conduct on or off the track and coming or leaving WVR can result in severe consequences.
- We have neighbors and a strict 10:00pm curfew. NO race bike motors run at all after 9:55pm.
- Because this is a new series and overwhelming response we will be adjusting the laps to fit everyone in. Please work with us on this first event and if we have to readjust some things for the future, we will! Sideways Promotions and Falcon Extreme are committed to making the series work for all.

## **FEES**

- WVR admission entry fee \$10 Adult, under 12 free
- Race Fee \$30 a class for Falcon Extreme Members. \$50 for 1st class for non members.
